

montrose

inspirational bedroom & home furniture

manufactured in the uk

Increasingly our customers are becoming more concerned with environmental issues and here at montrose furniture we recognise this. We can't simply leave it to others to address this important matter, we must play our own active role in protecting both the local and global environment.

Therefore wherever possible only sustainable & recyclable materials will be used in the manufacture of our products, with raw materials being sourced from other environmentally minded companies, like our timber suppliers who provide us with products from responsibly managed forestry sources worldwide. We are also pleased to advise that Montrose is FSC® Certified (FSC® C142674).

The mark of responsible forestry

For more than 20 years, montrose has been creating beautifully designed, hand built furniture from its UK manufacturing facility. As you would expect of a specialist furniture supplier, our dedicated team of employees has formed a product range that will answer even the most challenging design brief. The range of styles, finishes and design combinations we are able to offer, provide the perfect blend for your lifestyle choice and budget.

Whatever the room, it doesn't need to lack inspiration. We are sure you will find our new bedroom & home collection inspires you to make the right choices for your lifestyle.

With our attention to detail, eye for quality and continuous desire for improvement you can be sure montrose will exceed your expectations.

The introduction of the montrose lifetime guarantee is only what customers should expect from a specialist furniture manufacturer. We are very proud of the high quality products that montrose offers and confident of the longevity they will provide to purchasers. Our aim with montrose lifetime is to give you the same level of confidence when making your brand selection.

### **Bonita**

Bonita is a smart contemporary range with sharp, clean lines. It's simplicity means it is one of our most flexible ranges, available in a huge combination of finishes.

Each inset handles door is made individually in our factory so it's the perfect fit for your room.

Pictures: Contrasting fronts is often popular. Bonita, shown in Nordic Grey with Cream Gloss fronts and Mink upholstery for a contemporary, cool look.

**Eton**

Deep panelled drawers and doors make Eton our most imposing furniture collection, to add a touch of class to any room. The build quality is just as impressive, with fully-fitted interiors, precision-engineered hinges and soft-close doors and drawers.

*Love the life you live*

Pictures: Eton in Soft Ivory is light, warm, and sophisticated.

Drawers are solidly-built – just knock to hear the quality.

**Heritage**

Heritage is one of our latest ranges. Classic lines with complementary handles make this a perfect marriage of tradition and modernity.

### Mirage special effects

Mirrored panels bring more light to a room and add the illusion of height – not to mention being one of our most stunning designs for up to the minute style.

Pictures: You can choose coloured glass or mirrors for the panels. Interiors are superbly finished with outstanding attention to detail.

### **Nu-Mont**

Gentle rounding & square cut lines, the combination of the two equal Nu-Mont another new door-style, which provides a clear design statement to your room.

### Suffolk

Add character while keeping the uncluttered look with our Suffolk range. The wardrobe doors have a subtle rout that has hints of country styling. Shown here in our warm Light Grey matt finish.

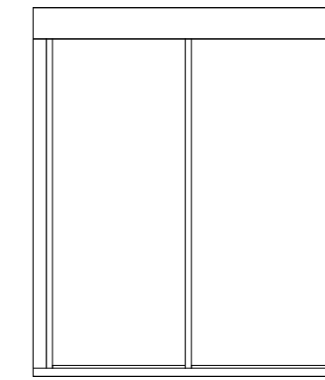

The build quality is just as impressive with reassuringly solid drawers and doors.

### Sliding Doors

Solar Sliding Doors are available in a number of styles. The door panels can be divided using 'Transom Bars' as illustrated above. In addition it is also possible to mix a single, full panel mirror door with the three or four panel option. Some of our most popular choices are shown but many other configurations are available.

A generous thick end panel and a fully fitted interior back, top and floor gives our sliding doors the bespoke designer look. Soft-close doors glide silently with the lightest push from your fingertip and you can choose from any of our finishes, including mirrors, our gloss range and over 25 coloured glass variations – your designer will provide you with full details.

### Shared End

You may require our sliding door systems to be fitted into an alcove or an existing space. This system requires the walls to be prepared and finished prior to install, but will give you a sense of space and light without compromising function.

Shared End interiors are only available with a sliding door design.

### A spare room in seconds

A brilliant way to make the best use of space, these cupboards fold down in seconds to reveal a deep, luxury mattress on a sprung, slatted base.

Strong cantilevered hinges balance the weight of the bed as you pull it down, so it only needs one person to create a luxurious spare room in an instant.
